

REMARKS

Entry of this Amendment is respectfully requested. The foregoing amendment is presented to remove the multiple dependency of claim 5. Specifically, in claim 5, "as claimed in any one of the preceding claims" has been changed to "of formula (I) according to claim 1".

This amendment clarifies the subject matter sought to be patented and is consistent with the originally presented claims and the specification. Accordingly, no new matter is introduced by the foregoing amendment.

Entry of this Amendment is again respectfully requested. If any fee under 37 CFR § 1.17 is due in connection with this Rule 312 Amendment, the Commissioner is authorized to charge Deposit Account No. 50-1676 for the appropriate amount.

Respectfully submitted,
